---	-------------	---------	--------

The image displays three sequential screenshots of a web application interface, likely a travel or booking management system, showing the details of an order for 'Falcon ATLIND'.

Top Screenshot: The 'Details' tab is active. It shows booking details for 'Falcon Hall' on '2022-02-24 17:35'. The booking reference is '1645698699469340085', Product ID is '158721', Product type is '1 Adult - 18-52', and Booking created on '2022-02-24 11:31 EET'. The 'Order summary' shows a 'Total order amount' of 'AED 50.00' (Excl. tax AED 50.00). The 'Payment' section shows '2022-02-24 11:31 EET' with 'Settlement type' as 'EXTERNAL', 'Payment status' as 'PAID', 'Payment' as 'AED 50.00', and 'Payment currency rate' as '1.00'. A 'Cancel' button is visible in the top right.

Middle Screenshot: A 'Cancel and Refund' modal dialog is displayed. It asks 'I want to *' with options 'Cancel' and 'Cancel and Refund' (selected). Below, there is a 'Reason for cancellation' field and a note: 'Note: The guest will not see this.' The 'Confirm cancellation' button is highlighted in blue.

Bottom Screenshot: The 'Details' tab is active again. The booking details are the same. The 'Order summary' and 'Payment' sections are also the same. However, the 'Cancel' button is now disabled (greyed out), and a 'Refund' button is visible next to it. The 'Refund' button is also disabled.

The image displays three sequential screenshots of a web application interface, likely for managing event tickets. The interface is divided into a left sidebar with navigation links (Accounts, Activity Overview, Templates, Price Lists, Report Groups, Financials, Reporting, Ticket Options, Ticket Categories, Settings, Logout) and a main content area.

The main content area shows the details of a 'Both type ticket' for 'Test museum'. The ticket is confirmed and has a status of 'Confirmed'. The ticket details include:

- Booking details:** Booking reference: 164552663933283uawpi, External reference: 04LJ6DHH, Product ID: 6845, Product type: 1 Adult - 20-29, Language: en, Booking created on: 2022-02-22 11:44 EET, Booking amended on: 2022-02-22 11:46 EET.
- Order summary:** Total order amount: EUR 10.00, Excl. tax EUR 9.43.
- Payment:** 2022-02-22 11:44 EET, Settlement time: DIRECT.

The right sidebar shows the order ID 164552663933283 and the user information: Account: Backend test sales, User: test user, test@1010@gmail.com. It also shows the booking status: MAIN BOOKER (test Rub, #PRIO4552665134215995, PENDING) and AGENT (j.p.west@gmail.com).

The middle screenshot shows a 'Cancel and Refund' modal dialog. The modal has a title 'Cancel and Refund' and a section 'I want to *' with two options: 'Cancel' (selected) and 'Cancel and Refund'. Below this is a 'Reason for cancellation' field with a placeholder 'Note: The guest will not see this.' and two buttons: 'Cancel' and 'Confirm cancellation'.

The bottom screenshot shows the same 'Both type ticket' details as the top screenshot, but the 'Cancel and Refund' modal is no longer visible.

---	-------------	---------	--------

The image displays a web application interface for managing ticket bookings. The main content area is divided into three sections: 'Details', 'Pricing', and 'Pass'. The 'Details' section shows booking information for 'ak20_capacity_both', including a booking reference, external reference, product ID, product type, language, and booking creation date. The 'Pricing' section shows the total order amount and the payment status. The 'Pass' section shows the booking status and the booking creation date. A modal dialog titled 'Cancel and Refund' is open, showing options to cancel or confirm cancellation. The right sidebar shows the order summary and a list of tickets with their status (e.g., 'PENDING'). The bottom navigation bar includes links for Accounts, Activity Overview, Templates, Price Lists, Report Groups, Financials, Reporting, Ticket Options, Ticket Categories, Settings, and Logout.
